2. In the event of inclement weather after the first pitch is thrown but prior to the fourth inning beginning, the umpire shall convene with both team managers and a majority (2 out of 3) vote will be required to forfeit a game. The umpire shall retain half his fee (\$12) and both teams will be responsible for the full (\$24) umpire fee if the game is rescheduled at a later date.
3. In the event a game is rained out after 5 innings have been completed (4½ if the home team is ahead), the game shall be considered official and the umpire will keep the umpire's fee.
4. A forfeit that is called in before 4:00 PM the day of the game will be considered an excused forfeit. A forfeit called in after 4:00 PM the day of the game will be considered unexcused. Any team committing an unexcused forfeit will be responsible for the \$15.00 umpire fee for that game. This forfeit fee must be paid before the team's next scheduled game.

RULES

1. The USSSA rules shall govern play in the Dearborn softball leagues, except where otherwise noted. The Dearborn Recreation Department and the Dearborn Recreation Commission will mediate any rule discrepancies.
2. **Metal cleats ARE NOT ALLOWED in any league.**
3. A game in which the one hour and five minute time limit expires, regardless of how many innings have been played will be considered completed. Ties will be broken in all games, regardless of the time limit.
4. Teams may bat as many players as desired. To bat more than 10, players must be present at game time. If a team starts with 10 or more players and one of those players cannot continue the game for any reason and no substitute is available, his spot becomes an automatic out in the batting order and it is the responsibility of the batting team to declare that out. Failure to do so will result in a forfeit.
5. Teams must start and finish each game with a minimum of nine (9) players on the field.
6. **A team must start with at least 9 players.** If you start with 9 players you may add a 10th player to batting lineup at any time during the game. However, this 10th player must bat in the 10th spot in the batting order. He may assume a defensive position as soon as he arrives at the field and is ready to play without delaying the game. If you start with 10 players, once the first pitch is thrown, you may not add any more players.
7. Courtesy runners are allowed one per inning – last out must run.
8. **Pitching distance is 50' and the distance between bases is 70'.**

9. Tag Play - a player, who intentionally and deliberately crashed into a fielder with great force when the fielder has the ball in his possession waiting for the runner, is out and the ball is dead. If the act is determined by the umpire to be flagrant, the runner shall be ejected.
10. Foul Third Strike - USSSA authorizes a 3-2 count to be used. When a batter incurs a count of 1 strike, he will be called out on his second foul ball. On a 1 strike second foul ball, the batter is automatically out and the ball is dead, regardless of whether a fielder makes a play or attempted play on the ball.
11. No new inning will start after one hour and five minutes unless the game is tied. Games tied after seven (7) innings will continue by playing additional innings until a winner is determined.
12. NO JEWELRY WILL BE ALLOWED. Exposed jewelry such as wrist watches, bracelets, large or loop earrings, neck chains, rings, or any other item judged dangerous by the umpire may not be worn during the game.
13. Drinking of alcoholic beverages is strictly prohibited during scheduled league games. Any player or coach observed drinking an alcoholic beverage during a game will be barred from or removed for the remainder of the game. **Umpires will be given the discretion to eject individuals or forfeit games if alcohol is observed in or around the bench area. Recreation personnel have the authority to suspend players or teams for violations of the alcohol policy.**
14. Smoking and/or use of a tobacco products is strictly prohibited on the playing field and on the player's bench. **Umpires will be given the discretion to eject individuals or forfeit games if tobacco products are observed in or around the bench area.**
15. Each team will be allowed (5) five over the fence homeruns. Each successive homerun is an out.
